### Scope of Services

Conti is a team subcontractor to Disaster Solution Alliance (DSA) on FEMA's Individual Assistance – Technical Assistance Contract (IA-TAC). DSA is providing Program and Disaster Recovery Center support, temporary housing group site design and construction, and the hauling and installing of temporary housing units for future disasters. IA-TAC work includes:

- Site assessment for potential group sites related to placement of temporary housing;
- Site inspections for potential placement of temporary housing on personal property;
- Installation of temporary housing units and staging area support;
- Group site design for building and placement of temporary housing units;
- General construction services; and
- Facility management.

DSA team members include PBS&J; BE&K Government Group, Inc.; Deployed Resources, LLC; Windstorm Mitigation, Inc.; Strategic Services, Inc.; Doug Boyd Enterprises, LLC; IEM; Conti Environment & Infrastructure, Inc.; AKEA, Inc.; J2 Engineering, Inc.; Keville Enterprises, Inc.; and Eagle Construction and Environmental, LP.

Conti will support the DSA team in construction of temporary housing group sites and in providing general construction services.
